

Product Information

# ECO-IBC

<b>Specification</b>	
<b>IBC A GRADE FOOD</b>	These units are suitable for portable water and are in clean unblemished condition. No dents or scratches. Represent excellent value, in comparison to price of new.
<b>IBC A GRADE</b>	As above but not rated for food grade. Guaranteed that units have only been used once and were not used for herbicides, pesticides or poisons. Suitable for use as new units for chemical industry.
<b>IBC B GRADE</b>	Slight wear and tear, represent good value and certainly our most popular unit for fleet and volume buyers. Units can be supplied with new valves .
<b>IBC C GRADE</b>	Some bladder colour staining, may contain some dents and scratching but still very suitable for transport of chemicals and non portable water. The units have been cleaned and decontaminated and were not used for Pesticides or herbicides. Some of the units may present as B grade but have timber bases and are therefore rated as C grade.
<b>IBC D GRADE</b>	Considerable staining, dents and scratching. Suitable for fire fighting and tree watering. Units have been cleaned and decontaminated but because of age and condition we cannot establish previous use.
